

Certificate of Achievement Awarded to

Sample Certificate

NIRSAT™ 5th

AMA Guides 5th edition

Certified Impairment Rating Specialist CIRS™

Certification confirms competency, credibility and expertise in the field of performing and calculating PPD and Impairment Ratings.

This program offered on April 2024 meets the new standard for the DIR to include all physicians. Emphasis was on Chapter 14 of the AMA Guides, Mental and Behavioral Disorders, including PTSS.

This certifies that the participant has successfully completed the PPD and Impairment Rating educational requirements and has passed the NIRSAT™ Exam.

This physician has demonstrated proficiency in the performance and calculation of Impairment Ratings based on the **AMA Guides to the Evaluation of Permanent Impairment 5th edition.**

Completed on 4/2024
